

1th joint meeting of the Junge DGKK (jDGKK) and Young Crystallographers (YC)
19th and 20 September, 2019 in Cologne (Germany)
Mineralogy, Zülpicher Str. 49a, 50674 Cologne, Germany

Join us for a great opportunity to establish contact with young scientists and get in touch with current and up to date projects, plus a visit to great research institutes
